Vol-2, Issue-1 (Dec.-2023)

MESSAGE FROM HON'BLE VICE - CHANCELLOR

Chief Patron
Prof.(Dr.) Narendra Sharma
(Hon'ble Vice-Chancellor)

I am extremely happy that Volume 02, issue- 01 (August - 23 to December-23) of "Tech Times" is being published by Diploma in Engineering of our University.

This is the Era of New Technology and innovations and the motive of our University is to make students learn the new technology fast and ahead. Therefore, today the role of any University is not only to pursue academic excellence but to empower students to become a lifelong learner. So we give a harmonious personality development to our students to extend in all the sphere of academics, co-curricular and extracurricular activities. I am confident that "Tech Times" would definitely be an inspirations for other students to perform better in the coming issues.

MESSAGE FROM DIRECTOR OF ACADEMIC AFFAIRS

Patron
Dr. V.K.Singh
(Director of Academic Affairs)

I am happy to know that Diploma in Engineering is publishing their next Volume-02, Issue-01 of their news letter "Tech Times". As We all know, a news letter reflects the vision and mission of the institute. It highlights events, activities, academic skills and achievements of the Department. Our students-centric, hi-tech teaching methodology, which is characterized by brain storming sessions, seminars, workshops, case studies, power point presentations, career fest, guest lectures and educational excursions, aims at imparting world-class education.

Our latest pedagogical aids complement and support our students' ambitions so that they make a positive difference to the world. We wish the Department, Faculty, Staff and Students all the best for an enthusiastic and magnificent times ahead.

MESSAGE FROM PRINCIPAL

Editor-In-Chief
Prof.(Dr.) Anuj Sharma
(Principal)

We are extremely happy in releasing this Newsletter, "Tech Times" - Volume -02, Issue-01 highlighting the activities of the Department between Aug. 2023 to Dec. 2023, It is great to find a considerable number of participants in Co-curricular and Extra curricular activities which certainly prove that our faculties, staff and students are adequately equipped and possess necessary skill-sets to bring such honors to the University. We hope all of our readers will welcome our ideas and encourage us to implement such creative thoughts in the future. We express a sense of gratitude to all Readers.

TEACHER'S DAY CELEBRATION

Teachers are nation builders in the true sense. A strong education system is the foundation of a strong nation along with making students capable citizens, teachers play an important role in building their character.

Our teachers have a huge contribution in our lives along with renaissance in the society, teachers also play an important role in giving it a new direction. Similarly, it is our responsibility to carry forward the same tradition and the ideals and values given by them and make the new generation strong, cultured and virtuous it is a matter of pride for all of us to celebrate the birthday of former President, educationist and philosopher Dr. Sarvepalli Radhakrishnan as Teacher's Day on 05th Sep. Every Year.

In the same context, today the Vice-Chancellor of the University, Prof. (Dr.) Narendra Sharma was honored by the Prof.(Dr.) Anuj Sharma- Principal and all the Teachers.

ORIENTATION PROGRAM

The Diploma in Engineering conducted Two Days orientation Program for Newly Admitted Students on 8th September 2023 & 09 September 2023 as a part of the Academic Activity of the University in which two key note speakers (Mr. Naresh Jakhmola - Inspector, ATC Haridwar & Dr. Harendra Garg- Chairman, SIDCUL Association, Haridwar) were presented their valuable thoughts, The Orientation program was organized from 11:00 AM to 3:30 PM. In this orientation program following discussions were done by Hon'ble Vice-Chancellor Prof. (Dr.) Narendra Sharma & Director Academics Prof. Dr. V.K. Singh and Principal, Prof. (Dr.) Anuj Sharma.

Later on Principal Prof. (Dr.) Anuj Sharma guided students on the rules and regulations of the University and all the eligibility for Examination, the conduct of different internal and external formats of examination as well as the passing criteria for examinations.

Apart from the above mentioned points, all the teaching faculties also imparted a knowledge on the day-to-day life, about writing skills, answering the questions via sharing their personal experiences of life in University.

VISHWAKARMA POOJA

Diploma in Engineering celebrated the birth anniversary of Lord Vishwakarma with great pomp on 17/09/23, Lord Vishwakarma is the Lord of creation and craftsmanship. All the teachers of the Department participated on this auspicious occasion.

ENGINEER'S DAY

Engineer's Day is being celebrated across the country on 15th September. The date of birth of Dr. Mokshagundam Visvesvaraya, popularly known as the Civil Engineer of India, was announced by the Government of India in the year 1868 to celebrate 15 September (year 1860) as Engineer's Day.

On the occasion of Engineer's Day, a workshop was organized in the Diploma in Engineering in which the Chief Guest Dr. Harendra Garg - Chairman, SIDCUL association gave detailed information to all the teachers about science and research on Engineer's Day, Hon'ble Vice-Chancellor of the University, Prof.(Dr.) Narendra Sharma did the lamp lighting in front of Maa Saraswati.
